PÁGINA INICIAL iCargoBox

## SU NUEVA DIRECCIÓN ICARGOBOX

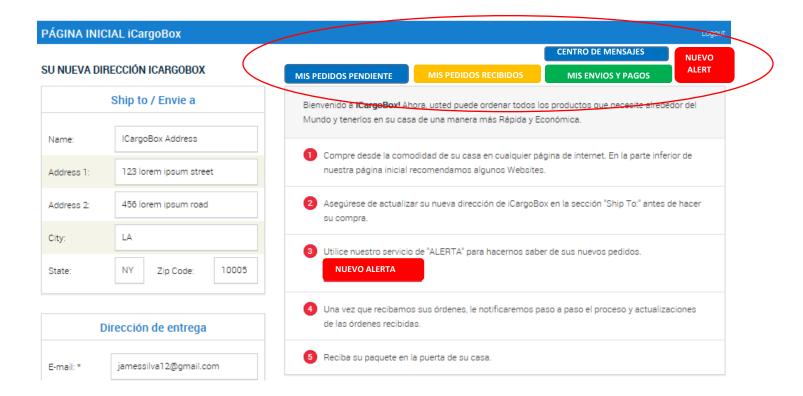

Dirección de entrega Cassillero #: 22 E-mail: \* user1@gmail.com Nombres: \* Basant Apellidos: \* Sharma Dirección: 123 test street ~ AMAGA Cuidad: ANTIOQUIA ~ Depto:

The "Cassillero #" needs to be placed in the "Ship to / Envie a" section next to the "Name"

Could we possibly Concatenate the "Name" with the Cassillero # for example, see below? This is very important to the process since we will be receiving multiple packages and Some customers can have the same name. The name and Cassillero # will appear on the shipping label we receive and will allow us to easily identify the customer.

Name: ICargoBox Address / 22

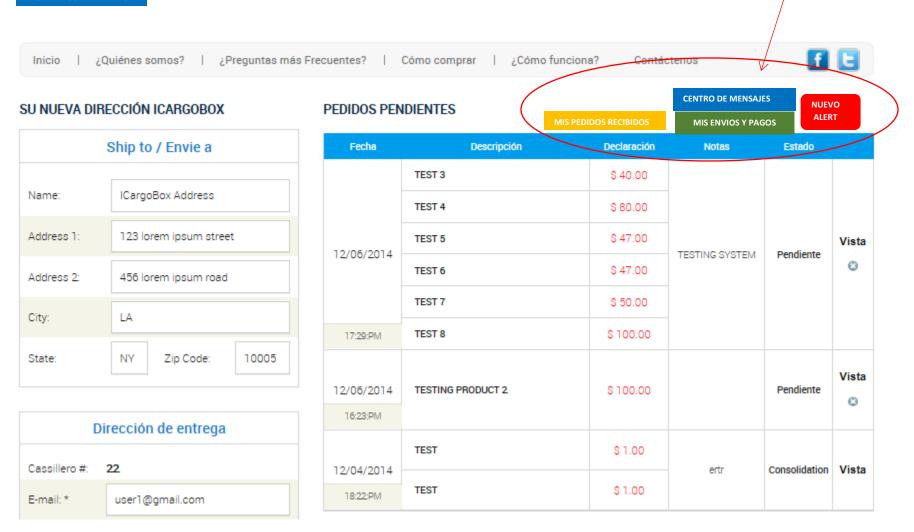

Can we please include the below navigation buttons on each section. This will allow for easy navigation of the customer to each section while the customer is logged in.

This Page works as it should. But will appear when the "MIS PEDIDOS PENDIENTES" button is clicked From the iCargoBox Customer initial page. This currently appears when the "Vista Alerta" button Is clicked however, please replace with "MIS PEDIDOS PENDIENTES"

Since we are now on the "PEDIDOS PENDIENTES" Page, Only the "MIS PEDIDOS RECIBIDOS", "MIS ENVIOS Y PAGOS, "CENTRO DE MENSAJES" and the "NUEVO ALERTA" buttons will appear.

MIS PEDIDOS PENDIENTES

## On registration error
