POR FAVOR INDIQUE LA DESCRIPCIÓN, CANTIDAD Y DECLARACIÓN DE IMPUESTOS DE CADA PRODUCTO QUE
USTED ORDENÓ EN ESTE FORMULARIO

Ejemplo:

1	Apple iPad Air - Wi-Fi - 128GB	1	$	$200.00

On the initial approved "Alerta" Page, we had this section on the page to provide a customer a sample of what was required however, I do not see this on the New form. Can we please add. Thank you.

This Section works perfectly. I click on the "Complete" button on the "Alerts" Page and this Appears. Perfect!!. Can we please add the Buttons to this section as well. Also, can we take out the "Vista" and replace with a ⊗ so that the customer can delete the Alert from here if necessary.

It appears this time is 2 hours behind. I added the alert at 8:48 pm my time and the alert shows as 6:48 pm. I am on Eastern Standard Time. Thank you.
